the MUST HAVE of the ACCESSORY's collections

The Last Finds

As is the case of box shopping bags and multi-compartment postman bags, which connect with chunky, low square heels. In this virtual catalogue of synergies between fashion and art, there's no lack of blatant citations from the underground, from hard stone rings with skull-shaped cameos to dizzy stiletto heels as lethal as the sexy, feline gait of the women who wear them. But everything softens down in the romantic tones of a red agate bracelet with small silver camellias and the small three-dimensional heart pendant whose message of love is as incisive and unequivocal as a piece of urban graffiti.

Mauro Grifoni

The Last Finds

A diva's Portfolio: Amethyst

Difficile definire quella leggiera sfumatura di viola che fin dalla prima occhiata viene avvicinata e osmosi all' ametista. La pietra molto amata in gioielleria, non solo per il suo dna cromatico che permette esibizioni creative serissime, ma anche perché tratta un'anima sacra e spirituale, quella di una Grande Madre che all' non è se non la manifestazione divina femminile dell'immensità dell'Universo. Facile, quindi, che le sue tonalità - nelle declinazioni mauve, violetta, iris, crocus - abbiano contaminato il mondo degli accessori. Ognuno può disegnare il proprio pantone di riferimento oscillando tra le sfumature più violacee, cupo e tumultuose, e que

dark, melancholic spell. Like the one in Tim Burton's latest movie, *Dark Shadows*, a story of witches, ghosts, and vampires based on the American soap opera of the same name, starring Ewan McGregor, a platinum blonde queen of the modern black look who spreads her power of enchantment on film and red carpet alike. Here a pod bag, a small duffel bag, a clutch bag with trimmings or a shoulder bag blazoned with indecipherable patterns raise immediate suspicions. Who knows, they could be weapons of female seduction that it would be hard for anyone to flee from. Especially if the designated victims are fashion add
